

Sanctuary isn't always safe

ANOMALIC

JULIA VALENTI

Resumo de Anomic

LT MacKenzie Waters, has always known the life of being a soldier. Enduring 2 tours overseas, she no longer fears death. She only fears her secret being discovered, the secret of who she really is.

MacKenzie believes to be the last of her kind, following the fall of her country. An Anomic, with the ability to turn into a dignified Siberian tiger. America has been divided into 8 sectors, and everyone is living in a paranoid world.

Those who do not follow the new rules, are 86'd away from the only life they know. But when MacKenzie's secret is discovered she is forced to 86 herself, venturing into the woods where she meets Ryder, a stereotypical attractive woodman, with a secret of his own.

But MacKenzie's leaving is just the beginning, to a much more wicked plan. With MacKenzie out of the sector, there is no one who can stop the evil tyranny that is falling upon the sector.

MacKenzie must chose to embrace her true identity and her legacy and fight back, or lose everything she has ever held dear to her.
