## Resumo de Ed Fox

Fox celebrates the female foot in his own way, creating a style that is unique and contemporary. Because he draws inspiration from both still photography and music video there's a strong sense of movement in his photos, reflecting his own personality.

Accordingly, most of his models are curvy from top to bottom. Fox was one of the first to shoot strip diva Dita von Teese, as well as Valentina Vaughn, Tera Patrick, Brittany Andrews, Jill Kelly, Kelly Madison, Temptress, Tall Goddess, Aria Giovanni, Jewel De'Nyle, Belladonna, Terri Weigel, Penny Flame, and Ginger Jolie, all of whom appear in his very first book.
