TEN GRAND

Resumo de Ten Grand Volume 2

The fiery, dimension-spanning conclusion of Joe Fitzgerald's journey from Earth to Purgatory, the Void and Hell brings him face-to-face with a vital question: is he willing to sell out the world to save the woman he loves?

The fate of the universe itself is at stake in a war as old as time, and his decision could tear down the very pillars of heaven itself! Collects Ten Grand #7-12.
