Resumo de The Archaeologists' Handbook

"The Archaeologists' Handbook" takes a look at the role of archaeologists from the discovery of an artefact or archaeological site to the identification, dating, preservation, restoration, and understanding of what has been found.

This book looks at everything from the most basic archaeological techniques to the latest technological advances used to assist the modern archaeologist; all explained in Ardagh's inimitable and amusing style.

This is a must for amateur archaeologists, young and old.
