Resumo de The Shield, Vol. 1: Daughter of the Revolution

Over the centuries, in our nation's times of need, a supernatural force appears to battle back the enemies of the United States: THE SHIELD. Today, the country--the whole world--is on the edge of chaos.

The middle class is dying as the rich get richer and the poor get poorer. Global warming's effects on the environment are drastic and dramatic, with superstorms and deadly droughts a common occurrence.

The government increases its grip on the lives of ordinary people, controlling information and curtailing freedoms and privacy. For some, the government itself has become an enemy of the people, and revolution is on the minds of Americans all across the country. The Shield returns--but what happens when she's not sure who the enemy is? A modern action and conspiracy thriller by bestselling novelists Adam Christopher and Chuck Wendig featuring the dynamic artwork of David Williams, THE SHIELD: DAUGHTER OF THE REVOLUTION gives readers a topical, relevant and jarring new take on the classic hero. THE SHIELD, VOL.

1: DAUGHTER OF THE REVOLUTION collects the first story arc of the ongoing THE SHIELD comic book series.
