

# Tick Tock, Don't Stop

A MANUAL FOR WORKAHOLICS

Robert S. Swiatek

## Resumo de Tick Tock, Don't Stop

"Tick Tock, Don't Stop" is a work on "work." It covers the origin of work as well as why we hate it. My experience, unnecessary work, dangerous work, slavery, the unions, management, high paying professions, the minimum wage, home work, the cost of working, revolutions and jobs I wouldn't take to make a living are all covered .

All the reasons why we work are discussed as well as what alternatives we have to be productive with less effort so as to succeed in this necessary endeavor and make our lives better.
