

Resumo de Triceratops

Our "Mini Dinosaurs" series features adorable books die-cut in the shape of the dinosaur depicted in that story. Each board book is jam-packed with interesting facts, and every page is complemented by full-color illustrations that are handsomely rendered in a naturalistic style that will captivate kids (Mom and Dad, too).

In "Triceratops," children learn that being big doesn't always mean you're slow. This huge dinosaur with the three-horned-head was really fast and agile. Perfectly sized for little hands, this book is a fun, exciting, and interesting way to introduce children to this perennially popular subject.
