

*A distância não vai conseguir
separar você de mim!*

Louis Maurice Young

Resumo de A Distancia Nao Vai Conseguir Separar Voce de MIM!

This book narrates the adventures of a child and his friends in the public school and then adolescent in the schoolboy in a private school where with some differences the boys and girls it has the same joys, disappointments and dreams.

The first love, the first discoveries of the life, the confusions, the arguments, the promise with the school duty, the most charming teacher and everything that makes part of the universe of a school in the time that is the most important of our life, our childhood and then adolescence.

Treated with gentleness and fondness, during the 80 years and 90 where there were many people talented creators and his creations and principally for us that we survived the time an incomparable charm.

So be amused by the amusing histories of our cheerful and confused characters. With you our first day of classroom and it is there what the infinite amusement begins!
