Resumo de Alex Raymond: An Artistic Journey: Adventure, Intrigue and Romance

Alex Raymond was one of the most influential comic strip artists of the 20th Century, creating action-packed art for Secret Agent X-9, the spectacular, classic imagery for Flash Gordon, and the nuanced, brilliant artwork for the detective/film-noiresque Rip Kirby.

Now, for the first time, Hermes Press presents a comprehensive, definitive, art monograph covering Raymond's complete artistic output with an authoritative text by noted comics historian Ron Goulart. This new exhaustive full color art book features over 400 images, many scanned directly from Raymond's original artwork, and is being published under license from King Features as part of their 100th anniversary celebration.

See original artwork from Raymond's work on Secret Agent X-9, Flash Gordon, Jungle Jim, and Rip Kirby together with numerous examples of his earliest strip artwork, commercial illustration, and more.

This extra large format art book is presented in a 10 by 13 inch size, so collectors can savor every detail of Raymond's artistic genius.
