Resumo de Are Lobsters Ambidextrous?: An Imponderables Book

Ponder, if you will ...Has anyone ever seen a live Cornish game hen?Why do quarterbacks say "Hut"?Why do "sea" gulls congregate in parking lots of shopping centers?What does the "Q" in Q-Tips stand for?Pop culture guru David Feldman demystifies these questions and much more in Are Lobsters Ambidextrous?

Part of the Imponderables(r) series the unchallenged source of answers to civilization's everyday mysteries and charmingly illustrated by Kassie Schwan, this book provides you with information that encyclopedias, dictionaries, and almanacs just don't have.

And think about it, where else are you going to find out what happens to the caffeine left over from making decaffeinated coffee?"
