Resumo de Are You There, Baby Bear? Board Book

One of Catherine Walters' most popular picture books is now available in a sturdy, small board book, perfect for the very young. Alfie's mother tells him that a new cub is coming.

Impatient Alfie sets out to find the baby bear, who he thinks is lost somewhere in the woods or meadows. As he wanders through his lovely wilderness home, Alfie mistakes a host of woodland creatures for the new arrival.

When night begins to fall, the little searcher finds himself cold and alone-and lost! But Father Bear soon arrives and carries the new big brother home, where a surprise (or two) is waiting.
