Resumo de Arrow, Volume 2

Criminals of Starling City, beware — Oliver Queen has you in his sights! Now, explore the stories that happened between the episodes of the hit CW drama Arrow. Written by series co-creator Marc Guggenheim, these lost tales explore what drives Ollie to be the vigilante of Starling City...and what drives the criminal masterminds he hunts!

What followed Ollie's dramatic confrontation with Deadshot? How did Deathstroke become the killer he is today? How did Diggle become one of Ollie's closest confidants? Plus, experience a different take on the explosive events of Season 1! Straight from Marc Guggenheim, the same mind behind the TV show, this volume features art from classic Green Arrow illustrator Mike Grell, Allan Jefferson, Victor Drujiniu, Xermanico, Sergio Sandoval and many more!
