

BIGWIG BRIEFS

CONDENSED BUSINESS INTELLIGENCE FROM INDUSTRY INSIDERS

"Priceless wisdom from experts at applying technology in support of business objectives."

- Frank Campagnoni, GE Global eXchange Services, CTO

"By the time the industry is thinking about what the world thinks the technology leaders are thinking about, the truly influential are thinking about something else. Want to know what the real leaders are thinking about now? It's in here."

- Dr. Carl Ledbetter, Novell CTO

BECOME A CTO
