Resumo de Birds of Prey Vol. 2

An exciting new team of glamorous, crime-fighting, female detectives. Meet Oracle—the computer genius who used to fight crime as Batgirl, paralyzed by the Joker but still very much in action, and Black Canary, the young adventuress who feels she has something to prove to the world.

On their own, each is a formidable foe. But together, they're a force to be reckoned with! Now, in this second thrilling collection of their adventures, Oracle and Black Canary investigate a vicious slave trader, run into some deadly female mercenaries, take on the powerful Kobra crime organization, fight a prehistoric monster, try to bring a war criminal to trial, and hook up with Dick Grayson, the former Robin, now the superhero known as Nightwing! DC Comics collects Chuck Dixon's incredible original run on Birds of Prey, the groundbreaking series featuring an all-female superhero team.

This graphic novel collects Birds of Prey #1-6.
