

Resumo de Bulbs

The new flower power - bright and stylish, listing over 300 varieties, from crocuses to bluebells. Covering all you need to know about your favorite plants in a beautiful and convenient format, DK Garden Guides profile one type of plant, each with its own photograph and a paragraph full of fascinating information about the plant, its origins, and how to use it in your garden.

Extremely accessible for novices, this series of unique plant guides include plant profiles that feature height, spread, and details about color and flowering season, as well as light requirements and hardiness; and, finally, a list of other varieties.
