

Chalice

The Social Shoulds are idiots. If you trade fulfillment for the company of a Should, you've walked into the wrong room. Even the pain of love lost is better than the gray concrete where feelings have been buried. Or perhaps thinking about it. Or perhaps just too lazy to make the effort. Or perhaps it cuts the heart from relationships that produce no caress. It's not an affair for the masses. It's all the passion of the world, if the alternative is lines and power and approval. Though
