Resumo de Changes Wb 2

Changes is a three-level general English course for young adult learners. The course is based on a multi-skills syllabus and the methodology emphasises a communicative approach focusing on both fluency and accuracy.

The course material is stimulating, motivating and fun. Special features of Changes include: Conversations presenting structures and functions in situational contexts. 'Word power' exercises to practise key vocabulary. 'Snapshots' containing interesting real world information to stimulate discussion.

Reading texts based on authentic materials. Pair work, group work and role-play activities which provide freer and more personalised language practice. Review units after every three units with accompanying photocopiable tests in the Teacher's Book.

Grammar and vocabulary summaries at the end of each unit.
