Resumo de Collins Big Cat - The Selfish Giant: Copper/Band 12

A wonderful retelling of Oscar Wilde's classic story about a fierce, angry giant, who wants nothing to do with the children who play in his beautiful garden. But when he finds himself miserable and alone in an eternal winterland, it's an act of kindness to an unlikely friend that brings back Spring and, finally, happiness.

Copper/Band 12 books provide more complex plots and longer chapters that develop reading stamina."
