## Resumo de Covet

Redemption isn't a word Jim Heron knows much about; his specialty is revenge, and to him, sin is all relative. But everything changes when he becomes a fallen angel and is charged with saving the souls of seven people from the seven deadly sins.

And failure is not an option. Vin DiPietro long ago sold his soul to his business, and he's good with that until fate intervenes in the form of a tough-talking, Harley-riding, self-professed savior.

But then he meets a woman who will make him question his destiny, his sanity, and his heart, and he has to work with a fallen angel to win her over and redeem his own soul.
