Resumo de Divinity Deluxe Edition

Re-presenting the sold-out sci-fi epic from New York Times best-selling writer Matt Kindt (NINJAK, Mind MGMT) and blockbuster artist Trevor Hairsine (X-Men: Deadly Genesis), the critically acclaimed debut of Valiant's first all-new headlining character gets the deluxe oversized hardcover treatment!

At the height of the Cold War, the Soviet Union - determined to win the Space Race at any cost - green lit a dangerously advanced mission. They sent a man farther into the cosmos than anyone has gone before or since.

Lost in the stars, he encountered something unknown. Something that... changed him. Long thought lost and erased from the history books, he has suddenly returned, crash-landing in the Australian Outback.

The few that have been able to reach him believe him to be a deity -- one who turned the scorched desert into a lush oasis. They say he can bend matter, space, and even time to his will.

Earth is about to meet a new god. And he's a communist. How long can it be before the first confrontation between mankind and DIVINITY begins? Collecting DIVINITY #1-4, along with more than 20 pages of rarely seen art and extras, including designs, process art, sketches, commentary and more!
