VOLUME 3

Resumo de Doctor Who: The Eleventh Doctor Archives: Omnibus Volume Three

In this final volume of The Eleventh Doctor Archives, follow the Time Lord and his new companion Clara through the dark depths of time and space! Woeful white holes cause time-hopping troubles, and a trip to the Wild West turns into a murder mystery with an unexpected host of characters!

Also includes Paul Cornell and Jimmy Broxton's feature-length story, celebrating the fiftieth anniversary of Doctor Who!
