"I want you to do something with the place. Something epic." After being entrusted with her brother's Los Angeles apartment for the summer as a graduation gift, Emi Price isn't sure how to fulfill his one condition: that something great take place there while he's gone.

Emi may be a talented young production designer, already beginning to thrive in the competitive film industry, but she still feels like an average teen, floundering when it comes to romance.

But when she and her best friend, Charlotte, discover a mysterious letter at the estate sale of a Hollywood film legend, Emi must move beyond the walls of her carefully crafted world to chase down the loose ends of a movie icon's hidden life, leading her to uncover a decades old secret and the potential for something truly epic: love."
