Resumo de Fables: The Deluxe Edition Book Eleven

Imagine that the world's most beloved storybook characters were real—real and living among us, with all of their powers intact. How would they cope with life in our mundane reality?

The answer can be found in *FABLES*, Bill Willingham's celebrated reimagining of the venerable fairy tale canon. From Snow White and the Big Bad Wolf to Goldilocks and Little Boy Blue, the folk tales of old are reborn here as exiles living in the magically camouflaged New York City neighborhood of Fabletown.

FABLES: THE DELUXE EDITION BOOK ELEVEN includes the transformative story arcs "Witches" and "Rose Red" as well as the historic tales "Dark City" and "Single Combat" from issues #86-100 of the award-winning Vertigo series, and features a new introduction by author and former Vertigo editor Alisa Kwitney and a special sketchbook section by series artist Mark Buckingham.
