

Resumo de Flinch Book Two

For the first time, DC collects the classic Vertigo horror anthology, featuring work by top talents including Jim Lee, Frank Quitely, Garth Ennis, Brian Azzarello and more. These tales have Twilight Zone-style twists that include a violent gang of senior citizens, a daughter who finds a cure for her ailing father's illness that has surprising side effects, the chain of violence from a criminal organization and the police investigating it, a twisted take on the sinking of the Titanic, and much more.

Collects Flinch #1-4.
