GEMS OF WISDOM

Inspirational messages
to enhance the quality
of your life and improve
your English

Resumo de Gems of Wisdom. Inspirational Messages to Enhance the Quality of Your Life and Improve Your English

Gems of Wisdom is absolutely unique. It is a collection of inspirational messages to enhance the quality of your life and also an unusual, ingenious and enjoyable way to improve your English.

An item of language in the message is taken as the starting point and springboard for further information about the English language. An incredible wealth of different subjects and topics are dealt with.

Each item has simple explanations or easy definitions and in many cases example sentences are given to show exactly how to use a word or expression. Gems of Wisdom offers you the chance to find information and transformation.

Information about the English language and culture and transformation from the messages that give you more elevation and perspective to help you realize your highest potential. It is a book for anyone who wants to communicate, motivate, educate and have some fun while doing this.
