Resumo de Got It! 1A - Student's Book Pack (+ Multi-ROM)

A four-level American English course for secondary learners with outstanding print and digital resources and particular emphasis on meaningful communication and skills development. Through a comprehensive and innovative range of resources, Got it!

uses hands-on language presentations to help students discover language intuitively and try out new structures. Through personalization and dialogue they explore meaning in a framework of issues which engage them.

Competence in individual skills and awareness of progress and success are encouraged throughout. Available as an in-App purchase via the Oxford Learner's Bookshelf app.
