Resumo de Harrow County Volume 2: Twice Told

After uncovering Harrow County's twisted history and her bizarre connection to the populace, Emmy forges a new and profound connection to the land and its monsters--but a familiar and sinister presence lurks just over the county lines...

Collects issues #5-#8 of Harrow County."Harrow County is that landscape painting that hangs above your country kitchen table brought to life and infused with palpable evil by way of the devil himself.

Bunn and Crook are co-conspirators in a genuinely frightening conspiracy of lies and nightmares that belies the inviting, alluvial visuals immediately apparent. Its a rare feat to be able to convey real dread and yes, horror in this medium, but Harrow Country absolutely relishes in causing you crypticunease as you find yourself unable to look away.

Without a doubt, pick this up and prepare yourself to listen to the silence give way to the flutter of crows wings give way to the crackle of dried leaves underfoot give way to the unending whispers." -All-Comic
