## Resumo de Homecoming

Mercy Thompson is a walker, a magical being with the power to transform into a coyote. She lives on the fine line dividing the everyday world from a darker dimension, observing the supernatural community while standing apart. When Mercy travels to the Tri-Cities of Washington for a job interview, she quickly finds herself smack-dab in the middle of a gang war between rival packs of werewolves.

And as if fangs and fur weren't bad enough, Mercy must deal with the scariest creature of all: her mother, who is convinced that Mercy is making a mess of her life and determined to set her daughter on the right course. The thrilling adventures of Mercy Thompson—*Moon Called*, *Blood Bound*, and *Iron Kissed*—have topped the New York Times bestseller list.

Now Mercy makes her comics debut in an exclusive new story created by Patricia Briggs. *Mercy Thompson: Homecoming* is sure to please longtime fans and capture new ones with its mix of unforgettable characters and thrilling supernatural intrigue.
