Resumo de Honeymoon

The honeymoon is over-now the murders can begin. America's #1 thriller writer returns with his sexiest, scariest novel ever. James Patterson's explosive new thriller introduces a bride who is beautiful, talented, devoted-and deadly.

When a young investment banker dies of baffling causes, FBI agent John O'Hara immediately suspects the only witness, the banker's alluring and mysterious fiancée. Nora Sinclair is a beautiful decorator who expects the best, and will do anything to get it.

Agent O'Hara keeps closing in, but the stronger his case, the less he knows whether he's pursuing justice or his own fatal obsession. In a novel so compelling it reads like a collaboration with Alfred Hitchcock, James Patterson unveils surprise after surprise that will keep readers guessing until the last deadly kiss.
