Resumo de How to Draw Dinosaurs: Includes 58+ Shapes to Draw Around!

Dinosaur lovers learn how to create their favorite creatures, from gentle giants and flying dinos to fearsome fiends and beyond. Drawing is easy when you break it down into steps that children know and understand.

This book includes 60 die-cut shapes to help kids draw a whole bunch of their favorite dinosaurs! With the help of the simple shapes packed into the pages of this book, children will soon find themselves creating amazing drawings.

All they need is some paper and colored pencils or felt-tip pens. Every drawing is explained in clear, step-by-step stages so that beginners can easily follow along.
