I am Jane Goodall

BRAD MELTZER

illustrated by Christopher Eliopoulos

Resumo de I Am Jane Goodall

We can all be heroes. That's the inspiring message of this "New York Times" bestselling picture book biography series from historian and author Brad Meltzer. Learn all about Jane Goodall, the chimpanzee scientist.

Each picture book in this series is a biography of a significant historical figure, told in a simple, conversational, vivacious way, and always focusing on a character trait that makes the person a role model for kids.

The heroes are depicted as children throughout, telling their life stories in first-person present tense, which keeps the books playful and accessible to young children. And each book ends with a line of encouragement, a direct quote, photos, a timeline, and a source list.

This tenth book in the series features Jane Goodall, the scientist and conservationist who is famous for her work with chimpanzees."
