

Insectivorous Plants

Charles Darwin

A stylized, minimalist illustration of a plant branch with several elongated, pointed leaves. The illustration is rendered in a solid orange color and is positioned diagonally across the lower half of the cover, starting from the bottom left and extending towards the top right.

Resumo de Insectivorous Plants

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.
