## Resumo de Irredeemable Premier Vol. 2

The Plutonian, once the world's greatest hero, now the world's most terrifying supervillain, has violently devastated millions of lives. The Plutonian's former teammates, the Paradigm, have been forced to turn toward a savage former enemy and a slim chance for survival.

But with little time and less options the Paradigm have no other shot at stopping the vengeful Plutonian. Have they unleashed something they cannot control? The apocalyptic superhero tale continues, from the author of multiple Eisner Award winner KINGDOM COME and EMPIRE!"
