Resumo de Kingdom Come

Winner of five Eisner and Harvey Awards, KINGDOM COME is the best-selling graphic novel from acclaimed writer Mark Waid and superstar painter Alex Ross. Set in the not so distant future, the DC Universe is spinning inexorably out of control.

The new generation of heroes has lost their moral compass, becoming just as reckless and violent as the villains they fight. The previous regime of heroes—the Justice League—returns under the most dire of circumstances, setting up a battle of the old guard against these uncompromising protectors in a battle that will define what heroism truly is.
