

LEWIS CARROLL'S GAMES & PUZZLES

Newly Compiled and Edited by
Edward Wakeling

Resumo de Lewis Carroll's Games and Puzzles

Forty-two tantalizing teasers — most by the creator of Alice in Wonderland and published here for the first time — Cakes in a Row, Alice's Multiplication Tables, Looking-Glass Time, Arithmetical Croquet, Four Brothers and a Monkey, Hidden Names, Diverse Doublets, Mischmasch, more.

Many hints and solutions. Illustrations by John Tenniel.
