Resumo de Nightwing Vol. 3

Dick Grayson, a.k.a. Nightwing, has grown out of the shadow of his mentor Batman and decided to forge a new destiny for himself in Gotham City's neighboring town, Bludhaven. Unfortunately, it seems that no matter where Dick goes, his hometown will always follow him.

After seeing the devastation caused by a massive earthquake, Nightwing finds himself in the middle of a decimated Gotham teaming with his Bat-family to help its citizens. Then, even as he makes his way back to Bludhaven, a familiar face that's equally friend and foe shows up at his doorstep: The Huntress! Legendary writer Chuck Dixon (BATMAN: KNIGHTFALL) pens these classic tales of Dick Grayson in NIGHTWING VOL.

3. Collects issues #20-29, as well as the special #1,000,000.
