

The book cover features a dark, textured background with a large, diagonal crease. Scattered across the surface are numerous pink and white flower petals, some of which are partially covered by dark, rectangular blocks. The title 'SCOTT WESTERFELD' is written in large, white, bold, sans-serif capital letters across the upper half. Below it, the word 'PEEPS' is written in a similar font but with a more stylized, slightly irregular appearance.

Resumo de Peeps

A year ago, Cal Thompson was a college freshman more interested in meeting girls and partying than in attending biology class. Now, after a fateful encounter with a mysterious woman named Morgan, biology has become, literally, Cal's life.

Cal was infected by a parasite that has a truly horrifying effect on its host. Cal himself is a carrier, unchanged by the parasite, but he's infected the girlfriends he's had since Morgan.

All three have turned into the ravening ghouls Cal calls Peeps. The rest of us know them as vampires. It's Cal's job to hunt them down before they can create more of their kind.

. . . Bursting with the sharp intelligence and sly humor that are fast becoming his trademark, Scott Westerfeld's novel is an utterly original take on an archetype of horror.
