Resumo de Psycho

Norman Bates loves his Mother. She has been dead for the past twenty years, or so people think. Norman knows better though. He has lived with Mother ever since leaving the hospital in the old house up on the hill above the Bates motel.

One night Norman spies on a beautiful woman that checks into the hotel as she undresses. Norman can't help but spy on her. Mother is there though. She is there to protect Norman from his filthy thoughts.

She is there to protect him with her butcher knife.
