

RAI

DELUXE
EDITION 1

Resumo de Rai Deluxe Edition Book 1

From New York Times best-selling writer Matt Kindt (DIVINITY, THE VALIANT) and superstar artist Clayton Crain (Carnage), discover the world of 41st century Japan with an all-new vision of the future unlike anything you've seen before - now in deluxe, oversized hardcover!

The year is 4001 A.D. - led by the artificial intelligence called "Father," the island nation of Japan has expanded out of the Pacific and into geosynchronous orbit with the ravaged Earth below.

With billions to feed and protect, it has fallen to one solitary guardian to enforce the law of Father's empire - the mysterious folk hero known as Rai. They say he can appear out of nowhere.

They say he is a spirit... the ghost of Japan. But when the first murder in a thousand years threatens to topple Father's benevolent reign, Rai will be forced to confront the true face of a nation transformed...

and his own long-lost humanity... Collecting RAI #1-12, along with material from RAI #1 PLUS EDITION and RAI #5 PLUS EDITION, this prestige-sized hardcover comes packed with more than 20 pages of rarely seen art and extras direct from the Valiant vaults.
