Resumo de Safety Behind Bars

The world we knew is gone. The world of commerce and frivolous necessity has been replaced by a world of survival and responsibility. An epidemic of apocalyptic proportions has swept the globe, causing the dead to rise and feed on the living.

In a matter of months society has crumbled: no government, no grocery stores, no mail delivery, no cable TV. In a world ruled by the dead, the survivors are forced to finally start living.

This volume follows our band of survivors as they set up a permanent camp inside a prison. Relationships change, characters die, and our team of survivors learn there's something far more deadly than zombies out there: each other.
