## Resumo de Saga, Volume 3

Winner of the 2013 Hugo award for Best Graphic Story! When two soldiers from opposite sides of a never-ending galactic war fall in love, they risk everything to bring a fragile new life into a dangerous old universe.

From New York Times bestselling writer Brian K. Vaughan (Y: The Last Man, Ex Machina) and critically acclaimed artist Fiona Staples (Mystery Society, North 40), Saga is the sweeping tale of one young family fighting to find their place in the worlds.

Fantasy and science fiction are wed like never before in this sexy, subversive drama for adults. In volume 3, as new parents Marko and Alana travel to an alien world to visit their hero, the family's pursuers finally close in on their targets.
