

Scenes from an Impending Marriage

a prenuptial memoir by ADRIAN TOMINE

Resumo de Scenes from an Impending Marriage: A Prenuptial Memoir

MAKING LIGHT OF NUPTIAL NARCISSMAt the behest of his soon-to-be wife, Adrian Tomine set out to create a wedding favor for their guests that would be funnier and more personal than the typical chocolate bars and picture frames.

What started out as a simple illustrated card soon grew into a full-fledged comic book: a collection of short strips chronicling the often absurd process of getting married. A loose, cartoony departure from Tomine's previous work, *Scenes from an Impending Marriage* is a sweet-natured, laugh out-loud skewering of the modern marriage process, including hiring a DJ, location scouting, trips to the salon, suit fittings, dance lessons, registering for gifts, and managing familial demands.

The most personal and autobiographical work of Tomine's career, *Scenes from an Impending Marriage* is a charming, delightful token of love.
