

The background of the cover is a dynamic, fiery illustration. In the foreground, a silhouette of a Jedi is shown from the side, holding a glowing blue lightsaber. In the center, a large, dark, mechanical creature with multiple limbs and glowing orange eyes is depicted. The background is filled with intense orange and red flames, smoke, and debris, suggesting a battle scene. The overall color palette is dominated by warm, fiery tones.

***10 EXCITING TALES FROM THE CONCEPT ARTISTS  
WHO HELPED CREATE THE MOVIE REVENGE OF THE SITH!***

## Resumo de Star Wars: Visionaries

They've been responsible for some of the most dazzling and awe-inspiring visuals ever put to film, and now the concept artists behind the Star Wars prequels are bringing their considerable talents to comics.

Just in time for Star Wars: Episode III, the wildly gifted mind of the Lucasfilm art department and visual effects powerhouse Industrial Light & Magic come together to tell their own Star Wars tales in this compilation of short stories.

Given free reign to explore any and every aspect of the Star Wars universe, each artist offers a new twist or a deeper view into that galaxy far, far away.

Nowhere else will you find a more pure or more different look at George Lucas's enduring creation than through the eyes of the Star Wars: Visionaries.
