Resumo de Supernaturally

Evie finally has the normal life she's always longed for. But she's shocked to discover that being ordinary can be . . . kind of boring. Just when Evie starts to long for her days at the International Paranormal Containment Agency, she's given a chance to work for them again.

Desperate for a break from all the normalcy, she agrees. But as one disastrous mission leads to another, Evie starts to wonder if she made the right choice. And when Evie's faerie ex-boyfriend Reth appears with devastating revelations about her past, she discovers that there's a battle brewing between the faerie courts that could throw the whole supernatural world into chaos.

The prize in question? Evie herself. So much for normal.
