

Resumo de Sweet Tooth Deluxe Book Two

A cross between Bambi and Cormac McCarthy's *The Road*, SWEET TOOTH tells the story of Gus, a rare new breed of human/animal hybrid children, who has been raised in isolation following an inexplicable pandemic that struck a decade earlier.

Now, with the death of his father he's left to fend for himself... until he meets a hulking drifter named Jepperd who promises to help him. Jepperd and Gus set out on a post-apocalyptic journey into the devastated American landscape to find "The Preserve," a refuge for hybrids. Written by critically acclaimed, Eisner Award-nominated scribe Jeff Lemire, SWEET TOOTH DELUXE EDITION BOOK TWO is a new hardcover cut of the best-selling series.

Collects issues #14-27.
