

THE BEATLES' LONDON

A GUIDE TO 467 BEATLES SITES

Piet Schreuders Mark Lewisohn Adam Smith

"Far and away the most interesting Beatles book ever assembled" – Derek Taylor

Resumo de The Beatles' London: A Guide to 467 Beatles Sites in and Around London

"Far and away the most interesting Beatles book ever assembled."--Derek Taylor
"Like pop culture Peter Pans, authors Schreuders, Lewisohn, and Smith lead readers by the hand in a fanciful flight across time and over London to the places and settings touched by the Beatles and seared into our collective memory."

Exceptionally written and researched, this unique and fascinating volume will captivate fans and armchair travelers of all ages. Highly recommended." --John Bengtson, Silentraces.net
They were born in Liverpool and came of age in Hamburg, but it was London where the Beatles became international icons matched only by the swinging city itself. From the chambers of Abbey Road to the rooftops of Savile Row, the Beatles are as much a part of London as Her Majesty, the Houses of Parliament and Hyde Park.

They defined their times and this was their turf. Authoritative, detailed and entertaining, The Beatles' London places the world's greatest group in the fascinating context of the world's greatest city--the place they worked, played, and called home.

A must-have for Beatles' fans, this up-to-date guidebook includes special sections for record sleeves and film locations, rare photographs, detailed maps and scores of fascinating entries.
