Resumo de The Death

Brian Wood's defining run on Conan continues! Conan and Bêlit are the undisputed masters of the Western Ocean, their names whispered in fearful awe all along the Black Coast. But while fellow seafarers know better than to challenge their reign, other threats arrive from unexpected places.

Such as when Conan returns to Cimmeria to track down an impostor destroying villages in his name, only to discover a tragic connection to his own past! Or when Conan spots a mysterious, derelict ship following them, its horrifying cargo threatening to destroy everything he and Bêlit have built and tear them apart!
