A light blue dress with a small, repeating floral pattern in a darker shade of blue. The dress has a ruffled waist and short, puffed sleeves. It is hanging on a simple wooden hanger. The background is a dark, vertically-grained wood. There are several dark, irregular stains on the lower left side of the dress, resembling blood. The overall mood is somber and mysterious.

THE DISAPPEARED

Resumo de The Disappeared

"The Disappeared" is the third installment of the critically acclaimed Frederika Bergman crime series by internationally bestselling author Kristina Ohlsson. At first, only one body was found. Soon there were more.

A young woman on her way to a party vanishes without a trace. Two years later, with all hope lost, her body turns up. Mercilessly dismembered, it has deteriorated considerably in its lonely burial spot on the edge of a forest.

The forensic team is able to identify the body as that of Rebecca Tolle, a student at the nearby university. Investigative analyst Fredrika Bergman and her team are assigned to solve the case and question those who may be responsible for Rebecca's brutal death.

Soon, more bodies are found, in the same area. But the killer is still at large. Fredrika discovers that when Rebecca died, she was researching a person with a dark past- one that Rebecca seems to have uncovered.

Fredrika is deeply invested in the already heart-wrenching case, but when her lover's name comes up as a possible suspect, it might be too much for her to bear.

Did Rebecca get too close to evil- prompting evil to react? "The Disappeared" is the third installment of the critically acclaimed Fredrika Bergman crime series by internationally bestselling author Kristina Ohlsson, and her most gripping and grisly thriller yet."
