in photography; any subject, anywhere

Resumo de The Exposure Field Guide: The Essential Handbook to Getting the Perfect Exposure in Photography; Any Subject, Anywhere

No one knows better than world-renowned travel photographer Michael Freeman how important it is to achieve great exposure in each and every image. In this handy field guide that you can tuck in your pocket and take along on your next photo adventure, he shares his secrets for getting a good exposure every single time - tips that are just as relevant for the hobbyist and home shooters as they are for someone with expertise ability.

Lighting, technical information, and creative inspiration are discussed side-by-side in this essential guide for understanding exposure - the most fundamental aspect of photography. Michael Freeman is the author of the global bestseller, *The Photographer's Eye*.

Now published in sixteen languages, *The Photographer's Eye* continues to speak to photographers everywhere. Reaching 100,000 copies in print in the US alone, and 300,000+ worldwide, it shows how anyone can develop the ability to see and shoot great digital photographs.
