Resumo de The Ferryman

A powerful and haunting tale? (Clive Barker) from the Bram Stoker Award-winning author of "Strangewood." Janine Hartschorn left David Bairstow for a man who abandoned her once he discovered she was pregnant with his child.

A miscarriage almost ended her life. Now she and David are reaching for a second chance. But something is determined to keep them apart. Something with the power to conjure up ghosts from David's past and make them real.

Something Janine knows from her near-death experience.
